Activity: Scientific Rangoli

Date: 31 October 2024

Participants: Students of class 6, 7 and 8

The Scientia Club conducted an activity, "Scientific Rangoli" , for students of classes VI ,VII and VIII. The event aimed to integrate art and science , promoting creativity and learning among students. The students used coloured powders , flowers and other eco-friendly material to create scientifically inspired rangoli designs. The event witnessed enthusiastic participation from students .This activity also reinforced their understanding of scientific concepts.
