Baisakhi Celebration
13th April 2023

Baisakhi is one of the prime festivals of North India, especially Punjab. It is celebrated to mark the harvesting of the first summer crop, mostly wheat. So the little Cecilians of Nursery & Prep celebrated Baisakhi, their first celebration of the year with zest and zeal. Participants of class Prep came dressed up in traditional dresses and danced to the foot tapping baisakhi dance. Headmistress Ma'am told the importance of this festival to the enthusiastic children who listened to them with utmost curiosity. They also made Baisakhi crafts and took away the Baisakhi incentive.
