

**St. Cecilia's Public School**  
**AWARENESS CAMPAIGN BY ECO CLUB**  
**FOR**  
**CONSERVATION OF DOLPHINS**  
**FOR CLASSES I TO XII**

In Compliance with email received from cbseshiksha.in on 7<sup>th</sup> July, 2025 , regarding conservation of Dolphins, Eco Club of St Cecilia's Public School initiated the 'Dolphin Conservation Awareness Campaign' in the month of July. The 'Project Dolphin', launched on 15<sup>th</sup> August, 2020 aimed to conserve both riverine and marine dolphins across India. In support of this government launched project diverse activities were conducted by Eco Club within the school premises.

Firstly, 'Dolphin Conservation Awareness Video' was shown in the all the classes which explained the biological, geographical and other scientific aspects of the areas concerned. This was followed by taking of 'Dolphin Conservation Pledge' by all the students. The students enlightened by the explanatory video understood the significance of the cause and pledged to actively work in this direction.

A painting activity was also organised for students of classes VI to VIII, to display the strong message of immediate need of conservation in the vibrant colours of student's creative excellence. Students of Eco Club came forward sincerely to spread the message of Dolphin conservation far and wide.

Madam Principal and all the staff members came forward to support the students in this cause needing immediate attention. Students pledged to remain committed to the cause of Dolphin Conservation.
