Cambridge English Language Assessment Orientation for parents on 04.05.2019

Ms. Kamaljeet Kaur from Cambridge English Language Assessment university of Cambridge interacted with numerous parents of Classes I-V students to aware them regarding the benefits of CELA YLE programme for starters class I and II, Movers class III and IV and flyers class V in the school hall.

The parents witnessed videos about in detail teaching learning process of CELA classes. The four Key features LSRW i.e. Listening, speaking, Reading and Writing as main components of language development were talked about with the parents. The parents were happy to know the association of St. Cecilia's Public School with an international institute of repute Cambridge English University of Cambridge.

The parents appreciated the interactive orientation programme and expressed their enthusiasm regarding the enrollment of their wards in the CELA programme 2019-20.
