

St. Cecilia's Public School
CLASS ASSEMBLY OF CLASS : I-C
THEME : CHANDRAYAAN 3
DATE: 27.9.23

“The sky is not the limit, your beliefs are”

Students of Class I-C presented a special assembly on “CHANDRAYAAN 3”. Chandrayaan, the word itself fills us with excitement and curiosity. It is a significant and inspiring endeavor of Indian Space Research Organization (ISRO). The assembly began with a prayer, followed by a speech highlighting information about Vikram lander, Pragyan rover and ISRO.

To enlighten and brighten the morning, famous quotes on science and technology along with placards were shared by the students to encourage everyone to uphold unity and work towards the progress of the nation. The students continued the presentation with a patriotic poem on ISRO – Oh! ISRO we all love you.....to pay tribute to ISRO scientists.

This was followed by a captivating dance performance encompassing a sense of nationalism and evoking a feeling of patriotism among all.– Lehra do..... Respected Principal ma'am encouraged the students to contribute to the progress and development of our country. She also accentuated the role of children as the wealth of the country and reminded them of their duties as Indian citizens. National Anthem was sung by the students at the end. The assembly successfully instilled a sense of pride and respect in children towards our nation.
