

**St. Cecilia's Public School
Christmas Celebration
Junior Wing**

“Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful.”

Soaking in the spirit of Christmas little Cecilians celebrated the festival with great fervour on December 24,2021. The boundless joy of celebrating this festival was quite evident on the faces of each child. The students decorated the tree with handmade Christmas ornaments the entire week to welcome Santa and get their desired gifts. The teachers explained the significance of the festival to the students through the Christmas story and inspired them to help and support needy people and spread the feeling of joy & happiness. The Christmas celebrations concluded with the little Cecilians dancing on their favourite songs.

Wishing all Merry Christmas and a healthy and fabulous New year!
