

St. Cecilia's Public School National De-worming Day

Government of NCT of Delhi in accordance with campaign by Ministry of Health and Family Welfare decided to conduct yet another round of National De-worming Day on 10th Feb 2020. The Albendazole tablet was administered to the students in the presence of the teachers in the school premises. The whole hearted support and co-operation given by the parents and school made the implementation of de-worming programme successful.
