“Destroy the evils, live a disciplined life with patience and perseverance”

Dussehra or Vijayadashami is a festival of victory of good over evil. It is celebrated every year to mark the day of Lord Rama's victory over Ravana.

A special assembly was conducted by III A and III B on Dussehra. The students presented a short enactment of the story of Ravana. They recited beautiful poems in English and Hindi explaining the significance of the festival. The ten - headed Ravana was related to ten bad qualities in humans and were replaced by ten good strengths in humans by bursting a balloon for each head. A pledge was taken by the students on the same theme. Students also displayed placards depicting the teachings we should imbibe from Dussehra festival.

The assembly concluded with a lovely dance performance on the song “ Vijayi hua Sri Ram aaj ham Ravan ka dahan manaayenge.
