

St. Cecilia's Public School Dussehra Assembly

“Victory belongs to those who have faith in goodness and fight against evil”

Ken Poirot had said that light can devour the darkness but darkness cannot consume the light. The legendary Ravana epitomes the fall of vices and rise of virtues in a symbolic realm of life teachings. The culmination on holy navratras culminate on Dussehra as a call to introspection and self empowerment. The festivities witnessed zealous participation as students of classes I to XII came together to present enactments from Ramayana to depict the importance of Dussehra.

Students from various classes dressed up as monstrous allies of Ravana's and holy devotees of Lord Rama to enact the Ram Lila. Eco club of the school made an eco friendly effigy of Ravana wherein the balloons were burst to show the end of evil. Poetry recitation, classical dance performance and drama were applauded by all. Madam Principal spoke about the power of truthful thoughts and actions encouraging students to live a virtuous life.

Students pledged to secularly preserve the mythological legacy of victory of good over evil. They pledged to further celebrate ecologically sustainable festivals to save planet Earth. The celebrations witnessed a joyous close as staff and students headed into Dussehra Break.
