HAPPY DUSSEHERA

Dussehra also known as Vijaya Dashmi is a festival of Hindus which is celebrated every year. It marks the day on which Lord Rama killed the demon king Ravana. The festival represents the victory of good over evil. It teaches us to adopt the path of truth, non-violence and peace by eliminating our evil feelings and deeds.

The school also celebrated the festival online. The students participated with great zeal.

The celebration began with a short assembly where a thought-provoking message by Principal ma'am was played in all the classes and 'Durga Stuti' sung by the Music Teacher, Ms. Anita Chauhan was also played along with other prayers.

Children participated in various activities like Express yourself where they spoke lines on mythological characters from Ramayana and the life lessons, we learn from them. Children also sang prayers like Hanuman Chalisa, Ram Stuti, Sita Stuti, Hanuman bhajan and Katha of Lord Rama. They presented dances on various songs related to Ramayana. In classes IV and V children also presented their beautiful power point presentations. Many children were dressed up as different characters from Ramayana. They also displayed the mask of Ravana, bow and arrow made by them. Some of them narrated short stories from Ramayana. They also performed role plays from Ramayana.

Teachers discussed about the celebration of Dussehra in our country, it's significance and short stories related to it. The fact that we need to burn all our evil thoughts was also stressed upon by them. Madam Meena took Life Skills lessons on Dussehra in classes III to V and also told them the significance of Navratras and its importance in our life. Music teachers taught songs on Dussehra to the students.

Children were full of enthusiasm and excitement. They thoroughly enjoyed the celebration and ended it by dancing on various songs.
