LAUNCH OF CAMPAIGN FOR  
"PHASING OUT SINGLE USE PLASTIC" ON EARTH DAY i.e. 22.04.2022  
CLASSES: IX TO XII TH

In compliance with the Circular no. DE.40(6)/Sci Br./2022/43-48 issued by the Government of National Capital Territory of Delhi, Directorate of Education : Science and TV Branch, New Delhi the Campaign for 'Phasing out Single Use Plastic' was launched on Earth Day i.e. 22.04.2022.

The Circular was in reference to the meeting held on 12.04.2022 under the chairmanship of Additional Chief Secretary (Environment and forest), Department of Environment, GNCT of Delhi wherein it was planned to launch the campaign over a period of one year starting from Earth Day. Accordingly the following activities were conducted for massive campaigning under the given broad set of themes:

| S. NO. | ACTIVITY                       | THEME  | CLASS      |
|--------|--------------------------------|--|------------|
| 1.     | Pledge                         | Say No to Plastic  | IX, X, XII |
| 2.     | Poster Making                  | Eco Friendly alternatives to Plastics  | IX, X      |
| 3.     | Essay Writing                  | Strategy of 6 R's – Reduce, Reuse, Recycle, Recover, Redesign and Remanufacture.   | IX, XII    |
| 4.     | Slogan Writing                 | Phasing out Single use Plastic (POSUP)   | X          |
| 5.     | Drama/ Nukkad Natak/ Role Play | Harmful Effect of Plastic  | IX         |
| 6.     | Quiz                           | Plastic Waste Management Act 2016  | IX         |
| 7.     | Lectures/ Awareness Campaign   | (A) Problems in elimination of Single Use Plastic and solutions.<br>(B) How to eliminate plastic from schools, homes and nearby areas. | IX, X, XII |

Students actively participated in the above mentioned activities and took the role of eco warriors in spreading the message of Phasing out Single use Plastic far and wide. Students explored their creative genius to the fullest to spread and depict the message in an informative yet interesting way.

Madam Principal, Madam Coordinator and all the teachers came hand in hand, in full support of the students to make initiation of this campaign successful. Eco Club pledges to take this campaign further in making plastic elimination a reality.
