**Earth Day Celebration 2022**  
**"Together we can, Together we must!!"**

For the past 40 years, Earth day has been celebrated around the world to call attention to some of our most pressing environmental and social problems – climate change, biodiversity loss, dwindling natural resources etc. Every year, Earth day is celebrated on 22 April to remind the students of their duties towards ‘Mother Nature’. As a part of environmental education to culminate Earth Day celebrations, ‘Go Green’ initiative was taken up to engage the whole school community in making a difference. Earth day was celebrated through educational action oriented activities that were enthused with fun and zeal.

Students of St. Cecilia's Public School enthusiastically participated to celebrate the power of green by performing a street play in the special assembly on the theme ‘Go Green’. A myriad of activities were conducted in all classes from Pre-Primary to class XII. The students witnessed power point slideshows on nature conservation, Banners and colourful charts were put up, importance of planting trees, poster making, slogan writing, poem composition and recitation, essay writing were taken up to educate the students about the importance of preserving the planet Earth. Students also expressed their views by making short speeches

in both English and Hindi. Colouring activity was conducted for Pre-Primary students while students of class I-V made paper cut outs on the topic – Save the Earth.

Special assembly in classrooms was conducted wherein students took the oath on Earth Day to protect the earth from pollution and abuse. Each one of them took a pledge to save mother Earth by doing simple doable actions. “Our continuing effort in our daily life will make the beautiful planet thrive”. Madam Principal’s finishing words added gusto to the active zeal of all. Madam encouraged everyone to put together united efforts to protect our environment.
