

St. Cecilia's Public School
Class Assembly
Earth Day
Class III -- B
“Every day is Earth day”

To raise awareness about keeping our planet Earth neat and clean students shared some initiatives they will take. The theme of the assembly was “Think Green - Go Green”. Few students raised slogans like Recycle today for better tomorrow, Reuse the past- Recycle the present- Save the future, Each one – Plant one, Don't be mean - Be green, Trees are the lungs of the world etc.

The primary wing celebrated ‘Earth Day’ by organizing special assemblies on April 18, 2023 and April 25, 2023. On April 25, assembly was conducted by class III B to propagate the message of “Save Earth , Save Life”.

The students spread awareness about the importance of keeping the Earth clean. A dance performance was done by the students with great enthusiasm on “ Earth - We are together”. Classes II & III also took the pledge to keep the Earth – our home clean and beautiful.

All the students participated in the assembly with great zeal and vigour.
