As part of this initiative and to express their solemn commitment to the cause , Eco Warriors of classes I to XII, actively came forward and planted saplings in school , in their societies with their mothers and extended community to contribute in a small yet significant way to this huge cause. They also pledged to

spread the message of plantation in their family and community to strengthen this campaign , to help it reach its visionary goal. Online awareness Campaign was launched on the occasion of World Environment Day, which further strengthened with sapling plantation in the school premises especially on the occasion of HariyaliTeej. Madam Principal, Madam Co-ordinators and all the teachers actively supported the students in this collaborative endeavor and the whole environment resonated with positive constructive energy to bring this vision of Green Delhi – Green India come to reality.
