

**ST. CECILIA'S PUBLIC SCHOOL**  
**ENGLISH RHYME RECITATION ACTIVITY**  
**CLASS - NURSERY**

To instill a love for poetry & literature and to enhance the skills of the nursery toddlers, Junior wing of St. Cecilia's Public School organized a 'rhyme recitation activity'. The teachers encouraged the students to prepare and present English rhymes of their choice and suggested the use of props for enhancing the beauty of their performances. The students were excited throughout the session and learned various ways to recite the rhymes. They performed beautifully with confidence and cheered on their classmate's performance as well. This activity, indeed, opened a path of poetry for the young students.
