Green Horizons-Sustainability: The Smart Business Choice'

"What we plant in the minds of children today will shape the world we live in tomorrow."

The Middle Wing of St. Cecilia's Public School proudly hosted 'Green Horizons – Sustainability: The Smart Business Choice', an enriching exhibition for students of Classes VI–VIII on 16.05.26. The event showcased students' research skills and their ability to apply classroom learning to real-world environmental challenges.

Designed to merge skill-based education with experiential learning, the exhibition gave students a platform to transform ideas into action. Through well-crafted models, interactive projects, and thoughtfully curated displays, they demonstrated a strong understanding of sustainability alongside creativity and critical thinking. Such initiatives reflect the school's commitment to nurturing environmentally responsible, future-ready learners.

Under the able guidance of Madam Principal and teachers, students explored multiple facets of sustainable living through innovative exhibits. The vibrant exposition turned classrooms into spaces for dialogue, innovation and meaningful learning.

The school management and parents lauded students for their hard work, creativity, and confident presentation, while also appreciating the dedication of teachers who mentored them throughout. The event truly embodied the spirit of collaboration between students, educators and parents.

'Green Horizons' reinforced that when young minds are empowered with knowledge and responsibility, they grow into changemakers capable of building a sustainable future.

More than just a display, this exhibition showcased students' creativity, helped them work as a team, and understand the importance of sustainability. It was a celebration of ideas, innovation and the promise for a greener tomorrow. Madam Principal appreciated the commendable efforts of all.

The exhibition concluded on a resounding note of success, reflecting the support of the school management, the guidance of the teachers and the dedication of our students.
