

# St. Cecilia's Public School Fruit Chaat Party Nursery-Prep

Eating healthy and nutritious food is the key to strong and healthy body. To inculcate the habit of eating good food, the school organized a fruit chaat party on 29.6.2021 and 2.7.2021 for the kindergarten students. The motto was "Fruit is Nature's Candy" Let's enjoy it together with a mouthwatering chaat, lemon and chaat masala for a tangy taste. Students were super excited to become little chefs and were ready with their dishes. All of them were dressed up with chef's hat, aprons and the fruits were already cut by their parents, bowls and spatulas to mix. We also sang a song for action to cut-put-mix the fruits. They all enjoyed the song and loved eating fruits with friends.
