G-20 Summit Quiz

Classes VI-XII

The G-20 Summit focuses on strengthening multilateral economic relations among developed and developing countries of the world. The focus area is to ensure the revival and recovery of the global economy, work towards ensuring financial stability and strengthen pathways for achieving Sustainable Development Goals. India will be hosting the G-20 Summit in September 2023.

The Quiz questions were designed to increase awareness about G-20 and its importance in promoting peace and harmony for progress and development. An online G-20 Summit Quiz was organized by the Ministry of Education. It was an online quiz in which students from Classes VI-XII participated enthusiastically.

The students were guided and encouraged to take active involvement in the quiz. A few students also earned a certificate for the same, making us all proud.
