Students displayed their work in the arena of diverse sub themes on the topic ranging from Importance of river Ganga – Cultural, Mythological, Historical, biological, Geographical to the significance of clean Ganga. Students discussed and portrayed the different harmful Human Activities and their effect on River Ganga. They emphasized the need of taking immediate steps for Cleaning Ganga. Collectively students pledged and realized that these are small steps in a big direction. Their voices of the children echoed ' Together we can Clean Ganga.'

Madam Principal, Madam Co-ordinators, Eco Club Incharges and all the subject teachers actively supported the students in this collaborative endeavor and the whole environment resonated with positive constructive energy to bring this vision of Clean Ganga back to reality.
