

St Cecilia's Public School
Geekoz IT-Club
Activities conducted in the Summer Fest

Geekoz IT-Club is an initiative undertaken to enhance the creativity of every individual student of the school in the field of technology. During the summer vacations an online activity was conducted to give the chance to every individual to show their work.

With the help of this, students are given the opportunity to show their hands on, in every task that was assigned.

Primary Wing (Classes III to V)

Acti

Students were given the task of designing beautiful scenes or posters in the software that they have learnt so far.

- ✓ Class III was given the task to design a creative scene on the topic “CLEAN DELHI GREEN DEHI” in MS-Paint.
- ✓ Class IV activity was to design a creative poster on the topic “MY CITY IN 2025” in Ms-Word.
- ✓ Class V activity was to make a creative poster on the topic “CITY OF MY DREAMS” in Ms - Word.

Students took part in the activities with great zeal and sent beautiful sceneries and posters online.
