

**St. Cecilia's Public School
Geekoz IT-Club
Autumn Fest 2019**

Geekoz IT-Club organized Autumn Fest intra class competitions in the month of October-November 2019 to inculcate student's interest, creativity and awareness in various areas of Information Technology. Students from classes I to XII participated in the competitions with great enthusiasm. Students competed in Gaming (Typing Tutor), Ms-Paint, Animation in Flash, Logo designing, Powerpoint Presentation, Website designing, Photoshop and Model making from e-waste. The school Manager Mrs. R. Bhumra and Principal Madam Inderpreet gave an opportunity to the students to participate in such competitions and learn with enjoyment. They encouraged, applauded and guided the students.
