

St. Cecilia's Public School

The school is organising 'GREEN OLYMPIAD', conducted by The Energy and Resource Institute (TERI), New Delhi. Students from classes IV to X can participate at their respective levels.

- Level 1 (for students from classes IV and V)
- Level 2 (for students from classes VI and VIII)
- Level 3 (for students from classes IX and X)

Questions are woven around environmental issues and assess environment related sensitivity of the students. The registration will have to be done from the school side at a fee of Rs. 75/- only by July 27, 2019. Interested students may contact their respective class teacher for details or visit to www.teriin.org/olympiad.
