CELEBRATION OF 'HARIYALI MAHOTSAVA' AND
'ONE CHILD ONE PLANT CAMPAIGN'
TO COMMEMORATE 3RD ANNIVERSARY OF NEP 2020
FOR CLASSES I TO XII

In continuation of Circular no. 40(6)/74/ SCB/2020/68-689 regarding implementation of Action Plan for the session 2023-24 in the r/o Tree Plantation /Greening Drive in Schools of DOE , GNCT of Delhi and to commemorate the third anniversary of NEP 2020 through CBSE 'One Child One Plant Campaign', Eco Club of St. Cecilia's Public School, Viaspuri , New Delhi, Organised 'Hariyali Mahotsava- Tree plantation Drive' in the month of July to support the aforesaid initiatives of maximum plantation by schools in Delhi.

Trees serve as the pivotal lifeline of all further forms of life that exist on the planet Earth. They are the main source of food, clean air, clean water and so many other products that we literally thrive on every day. The impact of the human activities on the population density of trees has been immense and now we have reached to a stage where we have disturbed the balance of nature to observable disaffects. Its high time that we need to understand the stakes involved in the hour and take immediate steps towards conserving the Mother Earth, The foremost in which is replenishing the Mother Earth of its floral cover, simply saying, growing the trees back to replenish our natural diaspora.

As part of this initiative and to express their solemn commitment to the cause , students of classes I to XII, actively came forward and planted a sapling each to contribute in a small yet significant way to this huge cause. They also pledged to spread the message of plantation in their family and community to strengthen this campaign, to help it reach its visionary goal.

Madam Principal, Madam Co-ordinators and all the subject teachers actively supported the students in this collaborative endeavor and the whole environment resonated with positive constructive energy to bring this vision of Green Delhi – Green India come to reality.
