Independence Day Activities
August 2022

“There is something so powerful about writing your thoughts on paper.”

In this fast-paced era of modern technology, it is important to not lose the value of writing on paper. To help students engage in meaningful writing activities that not only enhance their skills but also aid them in the process of knowing their own thoughts towards their country and its freedom, St. Cecilia's Public School organized a 'Letter Writing' Activity for the students of Class XII in the wake of Independence Day celebration.

Students had to pen down their thoughts in the form of a letter to any freedom fighter of their choice. Students took active part in the novel activity that allowed them to share their gratitude to those who are not alive any more. Writing as an activity offered them a platform to communicate with those who sacrificed their lives for the love of the country and its people.

Letters were written to freedom fighters like Mahatma Gandhi, Rani Lakshmi Bai, Bhagat Singh, Subhash Chandra Bose, etc. It was indeed marvellous to read the thoughts of today's youth who is equally involved in the matters of the country as these legendary people were during their time.

Along with this, Middle wing students of the school expressed their thoughts on 75th Independence Day in the form of slogans written on the Revered National Flag. Students were enthusiastic about performing a novel activity that allowed them to share their views on the country, its diversity and progress. It was a sheer display of creativity and skills.
