

St. Cecilia's Public School  
Independence Day Celebration  
Nur-Prep

To celebrate the feeling of patriotism in all of us, Cecilians celebrated the spirit of independence on 13.08.2021. The students wore tri-colored clothes and enjoyed paper tearing and coloring in flag (Tiranga). They also did colouring and clay modelling in National symbols to mark the day.

Children made beautiful badges to wear on Independence Day, danced and sung patriotic songs. Nursery students made tricolor sandwiches and Prep made tricolor salad to celebrate the spirit of India and ate the same in their “munching time” period. All the students paid their respect to our national leaders and Martyrs who laid down their lives for our freedom.

Here are links for some glimpses of beautiful celebration.
