

St. Cecilia's Public School
Interactive Session
Middle Wing

On 16th July 2022 the Middle Wing planned an interactive session for the students under the guidance respected Coordinator Ma'am. The students were given an exposure to various subject enrichment sessions and sports session to ensure a holistic development.

The students actively involved themselves in various sessions planned and depicted their hidden capabilities. The sessions included activities like reading hour, art and craft, music, yoga, physical education, dance etc. which students enjoyed to the fullest. Under the able guidance and efforts of the teachers, the students were able to learn various skills as well as they enjoyed the day through the various co-curriculum sessions planned. In the last session, students were given an opportunity to share their day's experience with their class teachers. They depicted great excitement and zeal to be a part of all the sessions. The smile on their faces as well as their excitement filled the atmosphere with positive energy.
