

St Cecilia's Public School

The guru's are enlightened to rejuvenate and reach
the next step to enlighten young minds.

**Prabhu Bali Murari Das from the International Society for Krishna Consciousness,
Dwarka addressed the Cecilian Gurus.**

On the august and auspicious morn of 24th May 2023, the Cecilian teachers were fortunated by the spiritually rejuvenating talk by Prabhu Bali Murari Das from the International Society for Krishna Consciousness, Dwarka. The address included a global association of the teachings of the Bhagwad-Gita and Srimad-Bhagvatam. The speaker enlightened all about the nature of the self and our relationship with the community to seek universal brotherhood and humanity.

The session also included interactions for finding workable solutions for the young minds to help them achieve their goals in life along with reducing stress, anxiety, teenage problems faced by the students. Teachers were also empowered with tips to help students in calming their anxiety related to academic goals.

Madam principal expressed immense gratitude to the spiritual speaker and was delighted to host the session from ISKCON which is a worldwide organization of individuals, communities, schools, each centered on the ideal of devotional service to the mankind.

The session concluded with the distribution of 'prasadam' to the staff members.
