

St. Cecilia's Public School
Virtual Janamashtami Celebration
(Primary Wing)

St. Cecilia's Public School organized a virtual celebration of the festival of Janmashtami. Fun-filled activities were organized, which flowered into a grand success, owing to the absolutely zealous participation of its students.

The virtual programme commenced with an enthralling Krishna bhajan. The teachers highlighted the significance of this blissful occasion. Stories related to the birth of Lord Krishna, several names of Krishna were discussed. Stress was laid on the relevance of Lord Krishna's teaching with regard to the present situation. They were able to relate to His teachings as many watched The Mahabharatha aired on the television. The children participated enthusiastically and exhibited their talents by presenting their shlokas, anecdotes and ashtakams. They also prepared colourful and wonderful birthday cards, decorated matkis, flutes and spoke some lines on Krishna. The students donned themselves in the attire of Lord Krishna and Radha, frolicking around with flutes, peacock feathers and matkas.

The colourful dance performances by the students dressed up as Krishna, Radha and gopikas added to the delight. The celebration was indeed truly informative, enlightening and entertaining.
