

St. Cecilia's Public School
Visit Adventurous Wonderland Kidzania
Classes III to V

"I hear and I forgot, I see and I remember, I do and I understand."
-Confucius

St. Cecilia's Public School brought to life the famous quote of Confucius as more than 400 students of classes III to V visited the wonderland of Kidzania that provides a blend of reality with entertainment on 26th December 2023 under the able supervision of their teachers. The day was full of learning with fun and learning by doing.

The students enjoyed the thrilling day at Kidzania, Noida which is an interactive indoor theme park that inspires and educates children through real like role playing activities. The realism of the role play helped the students learn about different careers, work forces and money dealings. It was indeed a WOW moment for the little children. The students in small groups played roles as officials of Supreme

Court, Police Department, Hospital industry, Fire Brigade Office, Energy Conservation Hub and much more. The students achieved first hand experience and explored many professions by enacting them like pizza making, doughnuts making, biscuit making, Kinderjoy manufacturing etc. Many activities helped them earn money whereas few others required fake money exchange.

The students also enjoyed a scrumptious and nutritious meal for the day and come back enriched with fond memories and knowledge. The to and fro of students was a well supervised and comfortable journey as they travelled safely in state of art buses that added comfort to the educational excursion.

The smiling faces, twinkling eyes and giggling laughter of the students transferred to the parents waiting eagerly to pick their wards. The parents appreciated that at the end of the day their wards had learnt lessons of sharing and caring, team spirit and self dependence. The students and parents were thankful to Madam Principal for such an enriching and empowering annual picnic excursion.
