LOHRI AND MAKAR SANKRANTI CELEBRATIONS

With much enthusiasm and excitement, the middle wing organized the celebrations on the occasion of Lohri and Makar Sankranti and it truly turned out to be a grand success. Children's active participation in the activities planned and their excitement turned the atmosphere into a festive mood. It was a wonderful celebration organized under the guidance of respected Co-ordinator- Ms. Aarti Parab.

We marked the beginning of the virtual celebration by a prayer. The excitement level of the children was at peak. This was followed by Principal mam's address to the students, wishing students and telling them to utilize their time and work judiciously for exams. With the objective that activities nurture the creativity of students, the middle wing planned a kite making activity on the special occasion. Students presented beautiful pieces of art work and with great excitement got themselves clicked with the same. Last but not the least, was the virtual video presentation about the significance and importance of the festival. This saw much enthusiasm and excitement among children. The pandemic situation in no way lessened the spirit of celebration and the students participated in full swing.

All in all, it was a truly refreshing and stimulating experience for everyone involved. A lot of learning and inspiration emerged from this experience for every student and teacher involved.
