MOCK DRILL FOR EARTH QUAKE

DATE: 05.04.2023

National Disaster Management Authority (NDMA), Ministry of Home Affairs, Government of India has directed the conduction of mock drill in the school as per convenience.

In continuation with this, St. Cecilia's Public School has observed the Earth Quake measures Drill to make the students aware, trained and prepared to handle the situation of emergency.

The hooter was sounded at sharp 10:30 AM, and evacuation begins immediately. Students were already announced about the "EXIT POINTS" and "ASSEMBLY POINTS" at each floor. Teachers were guided to ensure the safe evacuation of the students.

Students as well as teachers have evacuated the building in organized and peaceful manner without causing any eventuality and stampede. School building has been evacuated in shortest reasonable time of 4 minutes 30 seconds.

Students of class 1st and 2nd were assisted by their respective teachers. Their teacher has safely evacuated them.

The teacher –in charge has discussed certain tips for precautions to be taken during Earth quake. All Dos and Don'ts were also announced and addressed through the stage.

Mock Drill was monitored by Madam Principal. She addressed the assembly and interacted with the students regarding the seriousness of Drill.
