

**ST. CECILIA'S PUBLIC SCHOOL**  
***Model United Nations 2022 held at VV DAV***

Model United Nations is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real world issues with the policies and perspectives of their assigned country

It offers valuable insight into the decision-making process to students interested in pursuing politics or international relations, simulating international or national bodies

St. Cecilia's Public School also gave its students the opportunity to participate in the MUN held on 12 and 13 November 2022 in V. V. DAV, Vikaspuri . It offered an unparalleled chance to develop skills of the students in public speaking, international relations, and diplomacy.

10 students from class IX to XI participated in the same. They were fascinated to be a part of the event which provided the scope for creative and intellectual development. From research and documentation to diplomacy and deliberation to cooperation and conflict resolution, it presented a distinctive learning opportunity to the students.

Two of our students: Bhumica Ratra (XI C) and Shreya Jain (IX B), who represented South Korea in UNGA and Sonia Gandhi in AIPPM respectively got Special Mention Awards. Madam Principal appreciated the efforts and hardwork of the students and the Social Science department and congratulated them.
