

# ST. CECILIA'S PUBLIC SCHOOL

*Model United Nations Conference 2022*

*Held at New Era Public School*

Model United Nations, also known as MUN is an educational simulation in which students can learn about diplomacy, international relations and the United Nations.

In MUN, Students, work as the representative of a country, organization and solve a problem given to them with other delegates from around the world. The entire process and discussion take place under formal 'Rules of Procedure' to truly model the format of the UN.

St. Cecilia's Public School also gave its students the opportunity to participate in MUN's held in the month of November in New Era Public School, Mayapuri to showcase their talent and also to learn research, public speaking, teamwork, negotiation, and writing skills.

Nine students from classes IX to XII participated in this event held on 10<sup>th</sup> & 11<sup>th</sup> of November 2022. The agendas or topics taken up during the MUNs by our students are a reflection of real-world issues, ranging from general topics such as rights of women to specific topics like China's dominance over Taiwan, Russia- Ukraine problem etc.

Students were enthralled to be a part of an extravagant platform for debating on international issues, drafting resolutions to combat issues and to socialize. It was a life time experience for them. Opportunities like this not only help them in their speaking and debating skill, but also inculcates skills of negotiation, conflict resolution, and cooperation.

Two of our students: Devanshi Singh and Khushi Kohli (XII A), who represented in the committee of Security Council as the delegates of Egypt won the 'Best Delegate' Trophy along with cash prize of 5000/ to each. Two of the students Bhumika Aggarwal (XII C) and Vega Dhingra (XII D2) represented as delegates of Australia and Zambia respectively got Special Mention Awards. Madam Principal appreciated the efforts of the students & Social Science department and congratulated them.
