

St. Cecilia's Public School

Name of event:	International Maths Olympiad – 2022
Organized By :	Maths Olympiad foundation, Registered by Govt. of NCT Delhi.
Participated by :	Students of class VI – XI
Resources for preparation:	NCERT curriculum of respective class
Teacher Responsible:	Mathematics teacher of respective class

Detail of event

Mathematics Olympiad was organized by a reputed organization “Maths Olympiad Foundation” Recognized by Govt. of NCT Delhi. This was a class wise competition based on the NCERT syllabus.

In all 36 students of Class VI – XI participated from our school. Students registered in Month of October and Exam was conducted on Dec. 7, 2022.

Question paper carried 100 questions of 1 mark each. Question Paper was based on application and thinking skills. It was a good exposure to students to solve non conventional questions from conventional syllabus. Highest score of the students is as follows:

Class VI	:	Tanvi Grover	50
Class VII	:	Harshika Raheja	51
Class VIII	:	Unnat Bhatia	64
Class IX	:	No participation	
Class X	:	Neeti Aanad	46
Class XI	:	Jasnoor Kaur	58

Overall it was a good experience for the students; it enhanced the critical thinking skills among the students.
