

St Cecilia's Public School

Class IX and X Mathematics Exhibition - Speak to me I will learn, teach me I will understand, guide me to do I will remember it forever

Keeping the quote in mind, on 2nd August 2022, the Maths Club Incharges organized a Mathematics Exhibition in school. Students enthusiastically participated in the exhibition showcasing their educative amazing models on various topics such as Algebraic expression, Mensuration, Probability, Circle and Its Properties etc. The students made @ dimensional as well as 3 Dimensional working models.

Students of classes IX and X participated from each class and explained the models made by them on different topics. The zealous research work and keenness to learn was evident in the models monitored under the able guidance of their teachers. Students also visited the exhibition were accompanied by the teachers and took rounds in order to appreciate the hard work put in by their fellow friends.

Madam Principal and Guest Coordinator from Middle Wing Teachers interacted with the participants and asked encouraging questions wherein students got an opportunity to communicate their knowledge and understanding of Mathematical concepts.

The Maths Exhibition indeed gave them exposure and confidence to learn Maths by doing. Madam Principal motivated the students to strive for excellence and applauded the sincere hard work of students and teachers.
