

St. Cecilia's Public School
'PARTICIPATION IN NATIONAL LEVEL NUKKAD NATAK COMPETITION'
'ECO CLUB'
TO CELEBRATE 'WORLD ENVIRONEMNT DAY'
SENIOR WING (CLASSES IX-X)

Eco Club of St. Cecilia's Public School, Vikaspuri, participated in 'National Level Nukkad Natak Competition', on the theme 'Dharti Kare Pukar', to commemorate 'World Environment Day' that is celebrated worldwide on 5th of June. An Eco Warrior Team of 10 students of classes IXth and Xth, participated in a self written original script, wherein they put forward their commitment towards the Mother Earth in the form of a literary treat of a street play. The play was in full support of the initiative by the Government of India, Ministry of Environment, Forest and Climate change, National Museum of Natural History. This was a part of the pre launched Life Campaign by the National Government. The recorded video of the energetic street play was sent in 15th of May, as a small step in the big direction.

Madam Principal, Madam Coordinator and all the teachers came out in full support of the students, who were at their creative best and explored the diverse literary , scientific, environmental and intellectual domains to spread the message of saving Mother Earth with sincerity and determination. The students expressed their commitment to the cause through an informative yet entertaining medium of a street play, to gather the attention of one and all towards this pertinent, inevitable area that concerns one and all.
