

St. Cecilia's Public School National De worming Campaign

“Successful Implementation of National De Worming Campaign for Students of Class I to XII in St. Cecilia's Public School”

National De worming Campaign under the guidance of Directorate of Family Welfare, GNCTD was carried out from 05th April, 2022 to 08th April, 2022 in the campus of St. Cecilia's Public School wherein students of Classes I to XII participated actively. Madam Principal contributed whole heartedly in the initiative by the Ministry of Health and Family Welfare- a focused strategy to combat parasitic worm infections in children. The teachers diligently executed an awareness and participation drive among school children on the occasion of National De worming Campaign.

The administration & distribution of single dose of Albendazole tablet to primary students was done in the presence of teachers & parents.

To Class VI-XII students, the Albendazole tablet was given in the presence of coordinator and teachers during distribution session on the basis of consent from parents.

The campaign was successful and ensured maximum coverage of students attending the school.
