“Youth is the heartbeat of change, pulsating with the rhythm of possibilities” Celebrating National Youth Day 2024

12th January 2024 was celebrated as ‘National Youth Day’ with a bouquet of activities carried out from 12th to 23rd January in school for classes IX to XII. Special Assembly on Role of youth in modern India wherein students of class IX presented a small skit to apprise their fellowmates. Talks during school assembly and class teachers periods were carried out to create awareness about role of youth in progress of the nation.

Yoga-cum-meditation sessions by school yoga instructor were regularly carried out for overall wellness of the students. School student choir presented melodious songs to motivate and inspire their school mates. The enduring quote by Swami Vivekananda – “Arise, Awake and stop not until the goal is reached” – echoed in the young minds as a constant reminder for perseverance.

The week long series of activities were simple yet impactful blend of creativity, wellness and motivation leaving a positive imprint on our collective school experience towards holistic education.
