Raksha Bandhan (Celebrated on 29th August 2023)

The beautiful celebration of bond of love i.e., Raksha Bandhan was celebrated with tiny tots by making Rakhi. Later they tied the handmade Rakhi to their classmate. They followed all rituals like putting up Tilak, sharing sweets etc. Nursery & Prep students presented themselves with dance performance.

Magic Show (5th September 2023)

In lieu to mark the birthday of Dr. Sarvepalli Radhakrishnan who was our second President. A Magic Show was organized in the school premises. Magician Mr. Manoj came to present the

show. The magician presented various items on the occasion which left the children astonished and mesmerized. The students were very excited. They burst out into loud cheers and clapped happily after every magic trick.

Students made beautiful cards for teachers and brought flowers for them. They were very excited to celebrate this day with the teachers.

Janmashtami (Celebrated on 6th September 2023)

माखन चोर नन्द किशोर, बाँधी जिसने प्रीत की डोर,
हरे कृष्ण हरे मुरारी पूजती जिन्हें दुनिया सारी
आओ उनके गुण गाएं सब मिलके जन्माष्टमी मनायें।

Celebration of birth of Lord Krishna was done by Cecilians as they all were dressed up in Krishna, Gwalas, Radha and Gopis. Kids were all excited to be dressed up in traditional dresses with mukut , lehnga choli, dhoti kurta, bansuri and mor pankh. They danced on beautiful songs to welcome and celebrate the “Birthday of Krishna”. The celebration started with Aarti of Lord Krishna followed by dance performances, then Prasad were distributed.

Students were asked to visit temples to wish Lord Krishna on his birthday. Incentives to mark the day was given in both the wings. They were also narrated the story of Lord Krishna’s birth.

Activities(Nur-Prep)

To make learning fun and grasping the concepts easier, various activities were conducted like in **Nursery** – Sounds, models of different rooms, Numbers, in **Prep** – backward counting, family words and Hindi Swar. Participation of each child was being looked into to give them exposure of self learning.

Students were happy to be involved in these activities and they enjoyed learning while playing.
