

## St. Cecilia's Public School OLYMPIA 2019

St. Cecilia's Public School successfully organized its first Olympia 2019 on 23<sup>rd</sup> and 24<sup>th</sup> October. It was a fun-filled enriching initiative taken by the Head Boy, Head Girl and a senior Council member of the school. The Badge holders were given the privilege to participate in the event which comprised of two competitions: Quiztasia and Spellathon. Two teams of two members each took part in both the competitions. While Quiztasia dealt with questions on general knowledge, literature, IT, etc, Spellathon checked students' knowledge on spellings, vocabulary and pronunciation of English words. Along with the participating teams, audience was also equally engaged in the multiple rounds that were systematically conducted. Students found it to be an enjoyable learning experience. Their exuberance and active engagement kept the spirit of the event alive. Moreover, the Council Team felt highly motivated for having initiated a fresh wave of healthy participation for all the badge holders. Their sense of responsibility and enthusiasm was extremely commendable.
