

St. Cecilia's Public School
Morning Assembly Report
Class XII D2
Day & Date: Monday, 6th April

The morning assembly held on 6th April at St. Cecilia's Public School was conducted by the students of Class XII D2. The assembly was thoughtfully organized around the theme of the ongoing war and its impact on the common man, aiming to create awareness and sensitivity among students and about the harsh realities of war and its far-reaching effects on everyday life.

The assembly commenced with a serene prayer, invoking peace and harmony in the world. This was followed by thought of the day, the news reading, where students highlighted current global events, with special emphasis on ongoing conflicts across the world.

The highlight of the assembly was a short enactment performed by the students. Through powerful dialogue and emotional scenes, the play depicted the struggles faced by common people during times of war—loss of homes, separation of families, scarcity of food, and the constant fear of survival. The enactment effectively conveyed that while wars are fought by nations, it is the ordinary citizens who bear the greatest burden.

The presentation concluded on a patriotic note with the singing of the National Song, followed by the National Anthem, filling the atmosphere with a sense of unity and respect for the nation.

Overall, the assembly was meaningful and left a lasting impression on everyone, reminding us all of the value of peace and humanity.
