Class: I and II

“Poetry is when an emotion has found its thought and the thought has found words”

To kindle poetic flair among the young Cecilians, a Poem Recitation Competition was organized on Saturday, February 13, 2021. Beauty is the realm of poetry. Children enjoy the beauty of expression, thoughts, feeling, rhyme and music of words. Taking all these facts into consideration, the children exhibited their talent and confidence with great zest and vigour. The children chose a variety of topics like nature, trees, flower, earth, girl child etc. The kids also recited funny poems on corona restrictions, closures and candid experiences. The pleasing performances of the children were appreciable. They got a splendid opportunity and exposure in online competition too amidst the pandemic.
