

St. Cecilia's Public School
Class Presentation (Prep B)
अद्भुत भारत
Held on 20th December 2023

India represents “Unity in Diversity”. India is a land of diversities – religions, cultures, languages, festivals, and ethnicities. It offers a never-ending list of possibilities to explore and experience something new every day. It is truly an incredible country with a rich diversity of culture, customs and cuisines.

As a nation and as a country, culture is an important part of our upbringing and who we are today.

What could be more wonderful than children representing our cherished culture. With this in view, St. Cecilia's Public School to showcase the planned culture of incredible India through a class presentation by Prep-B class “**AdbhutBharat**’ on 20th December 2023

Madam Principal and Director Sir graced the occasion. Their encouraging word were a motivation for the students.

The beauty of the Western Ghats of India cannot be described in words, one has to experience the picturesque views and also the most curvaceous routes, to experience the absolute divinity.

Ganesh Stuti

Ekdantya, Vighneshwara, vighnaharta Ganpati -the lord of all gods, the infinite god. He is the bestower of treasures and riches. The golden angelic deity than offers success and removes of all difficulties and obstacles, Lord Ganesha's bounties always illuminate the path of our lives.

Lavani dance

When we mention Western Ghats how can one miss the city of dreams that never sleeps? Here dreams are given wings to fly, yes, it's Amchi Mumbai. A small presentation of the famous folk dance of Mumbai, Lavani where the students beautiful donned up in 9 yard saree, represented grace and charm along with ghungroos tied around their feet, sounding just like scattered raindrops filling the empty premises.

Goa Dance

The beautiful beaches of Goa always fill one's memories with some eye-catching views. The students took us on a walk along the shore of Goa, the slow whooshing sounds of the waves hitting the soft sandy shore were truly a comfort to our mind, as it constantly assures the harmony of the mind and the soul.

Mimayemori (fisher song)

One of the oldest community of Mumbai is the kolis, the fishermen community who work continuously to provide nutrition and food security to our country. They also manage to take out time to enjoy the small moments of their life with glee and rhythm. Our students showcased the spirits of such fishermen through an amazing dance performance.

Finale

It is truly said that when you step in the Western Ghats the roads lead you to the amazing views one can experience in the lap of Mother Nature, leaving an impact of its mesmerizing beauty on one's mind.

Our little champs once again led us through the culturally diverse path of incredible India, offering us a chance to experience the divine beauty of the Western Ghats through their energetic & power packed dance performance.
