

St. Cecilia's Public School
Editorial Club
Patriotic Poetry Recitation Competition (English/Hindi)
Senior Wing (Class XII)

The Editorial Club of St. Cecilia's Public School conducted a wonderful Patriotic Poetry Recitation Competition for the students of Class XII. The agenda was to arouse the patriotic sentiment amongst the students so that they remain connected to their country and its people.

Participants were given the liberty to choose the poem as per their liking and comfort. It was a delight to see some students who had put in extra efforts to compose their own poems. Their poems reflected the Indian freedom struggle, sacrifices of the freedom fighters and the fought battles leading to the present day scenario. It was indeed a sight of creativity, enthusiasm, patriotism, confidence and exuberance.

The student announcers kept the spirit of the audience alive by applauding the participants from time to time. Moreover, the Senior Coordinator of the school appreciated the sincerity of the students, both as participants and audience. Ma'am encouraged them to take more initiatives in the upcoming competitions.

Moreover, the direction and guidance offered by the judges was immensely valuable for students to be better prepared for further events. The competition ended successfully with the announcement of results by the judges.
