St. Cecilia's Public School
"Poster Making" Competition

Date	**14.10.26**
Classes	**IX, X**
Topic	**Phishing attacks**

The **Geekoz IT Club** of St. Cecilia's Public School organised a **Poster-Making Competition** for students of **classes IX and X** on **"Phishing Attacks"** on 14th October, 2026.The activity aimed to create awareness among students about phishing attacks, online fraud, and the importance of safe and responsible internet usage.

Students participated enthusiastically and created creative and informative posters highlighting the dangers of suspicious links, fake emails, fraudulent messages, and online scams. They conveyed important cyber safety messages through attractive illustrations, catchy slogans, and meaningful designs.

The best entries were selected based on creativity, relevance to the theme, clarity of the message, and overall presentation. The competition encouraged students to think critically about online threats and understand the importance of verifying links and messages before clicking on them.

The activity was successful in promoting cyber awareness and reinforcing the message that staying alert and thinking before clicking are essential steps towards a safer digital world.
