Map Activity
Classes IV and V
29.12.2023

Maps help us to navigate and explore various places. We need them to determine the location/use of a place. They also make our travel easier.

Maps attract students and arouse their curiosity to learn more. In order to encourage them the Quiz Club (primary) organized Map Activity for classes IV and V. The students marked all the States and Union Territories of India on the political map and coloured them. They enthusiastically named capitals of the states and union territories of India.

The students participated with zeal and zest and enjoyed it thoroughly. It was a great learning experience for them.
