The Quiz Club of St Cecilia's Public school conducted a 'Mental Ability' Test for students of Class IX, X and XII on 26.04.2021. The mental ability test, also known as mental aptitude test, was meant to analyse the overall potential of a student and help determine their strengths and weaknesses. It was conducted to evaluate different skill sets through various types of questions including verbal and non-verbal multiple-choice type questions, which were based on multiple abstract topics and needed to be answered within a specific time frame. Students applied their presence of mind and logical reasoning skills while attempting the mental ability test. All students participated in the test wholeheartedly.
