DATE- 26 December 2023
Classes VI-VIII

Indian constitution nurtures the aspirations of its citizens and is a true living constitution inasmuch as it gives the widest possible amplitude for the realization of both individual liberties and desires and at the same time enforces the need for collective growth and development.

With a view to celebrate the importance of Constitution Day and to introduce our Constitution to the young learners at an extended level, the Quiz Club Middle Wing organized a quiz on Constitution. The quiz aimed to teach the students that this dynamic document focuses on rules and regulations and also gives power to the government for pursuing the collective good of the society.

Students from class VI to VIII participated in the quiz and four teams were selected to be a part of the quiz (3members in each team) to compete with one another. The quiz included various questions to make the students aware about the Preamble to the Indian Constitution, Fundamental Rights and Duties, Directive Principles of State Policies and so on. The quiz helped to familiarize children with the history of the making of our Constitution and the eminent people involved in its making.

All the teams depicted great enthusiasm and excitement during the quiz with team C(The participants in team C were Hardik Raheja -6C, Aanshi Anand-7C and Parv-8C) being the winner of the quiz.

With the joint efforts of all, the quiz was organized successfully and was a learning experience for all. Not only did it teach our students to be committed to the constitutional values and nurture in them the democratic principles but also it motivated them to depict their leadership skills, speaking skills, creativity and teamwork during the organization and successful planning of the quiz organized.
