**Quiz Club-Middle Wing**  
**Session 2025-26**  
**Quiz on Indian Constitution**  
Date: 2 February 2026

The Quiz Club recently organized an insightful quiz on the topic 'Indian Constitution' for students of classes VI-VIII, aiming to enhance their awareness of fundamental rights, duties and democratic principles. A PPT presentation covering key topics such as the Constituent Assembly, Preamble and amendments, highlighting the importance of civic responsibility, was shown to the students.

The interactive quiz session that followed was a huge hit, with students' active participation that enabled them to gain a deeper understanding of the Indian Constitution and its principles, inspiring them to value freedom and recognize their role in serving the nation.

By exploring constitutional principles, students were reminded of the importance of appreciating and learning about India's rich democratic heritage via this activity. The event had a lasting impact on the young minds, leaving them more informed and empowered to contribute positively to society.
