RakshaBandhan Celebration
Primary Wing
August 20, 2021

The bonding between a brother and a sister is simply unique and is beyond description in words. The relationship between siblings is extraordinary and is of great importance. The festival of Raksha Bandhan is observed as a symbol of love & duty between brothers and sisters. Traditionally celebrated by Hindus, and others as well, Raksha Bandhan is a festival in which a sister ties a talisman or an amulet, also called rakhi, around her brother's wrist. This symbolises love and protection. In Sanskrit, the expression literally means "bond of protection, obligation or care".

Keeping the tradition alive, our school organized an online celebration of the function. Children were very excited for this day. The day began with a prayer. The Art teacher Ms. Ranjeet Kaur gave a demonstration to the students on rakhi-making. Students loved the idea and came up with vibrant and beautiful rakhis. They displayed the same in the class. They sang the song taught to them by their Music teacher.

Activities such as pictures of rakhi, poems and songs related to the theme, speaking a few lines and dance other than rakhi-making were a major part of the celebrations. Students were attired in traditional outfits to grace the occasion.

Guided visualization on the importance and significance of the festival was taken up by our Co-ordinator Ms. Meena Rawat. She even narrated the stories of Raksha Bandhan from our mythology and history. These activities enlightened the students about this special day and help them to respect, care and love their siblings. It was a fun-filled event with zealous and enthusiastic students.
